42nd Annual Conference*

BACK TO THE FUTURE

Old Lake Issues and New Solutions

MAY 2-3, 2025

Fort William Henry Hotel and Conference Center
Lake George

NYSFOLA 42nd Annual Conference

CONFERENCE SCHEDULE

DAY 1

Thursday, May 1, 2025

NYSFOLA Board of Directors Meeting - Glens Falls Room 3:30 - 5:30 p.m.

DAY 2

Friday, May 2, 2025

Registration - Fort William Henry Conference Center Lobby 8:30 a.m.

Morning Nosh - Village Blacksmith Lounge [Conference Ticket Holders]

Exhibitor Set Up - Albany Room

Welcoming Remarks - Lake George North & South Rooms 9:15 a.m.

Morning Sessions 9:30 - 12:00 p.m.

Silent Auction - See page 9 for details Opens 10:30 a.m.

Lunch & Awards - Carriage House [Must have Ticket] 12:00 - 1:45 p.m.

Afternoon Sessions 1:45 - 5:00 p.m.

Silent Auction Closes 4:00 p.m.

NYSFOLA Wine & Cheese Party - Village Blacksmith Lounge & Exhibits 5 - 6 p.m.

NYSFOLA Banquet & Award - Carriage House [Must have Ticket] 6 p.m.

Please visit our student research posters during breaks, lunch and Wine & Cheese Party

DAY 3

Saturday, May 3, 2025

Breakfast Buffet - White Lion Room [Conference Ticket Holders] 7:00 - 8:100 a.m.

Registration - Fort William Henry Conference Center Lobby 8:30 a.m.

Morning Sessions 9:00 - 12:00 a.m.

Lunch, Annual Membership Meeting & Awards 12:00 - 1:30 p.m.
(Carriage House - [Must have Ticket])

Afternoon Sessions 1:30 - 4:30 p.m.

Please visit our student research posters during breaks and lunch

SILENT AUCTION: See page 9 for details.

Detailed conference schedule on the following pages.

NYSFOLA 42nd Annual Conference

Friday Morning - May 2, 2025

All **meal tickets** must have been purchased in advance. Those without a meal ticket, please ask the Fort William Henry Hotel (at the Hotel Desk) for suggested dining venues in town or go to the Lake George Area Visitors Website at: <http://www.visitlakegeorge.com/food-drink/>

8:30 AM **Registration Opens** - Conference Center Lobby
"Morning Nosh" - Village Blacksmith Lounge [Conference Ticket Holders]
Exhibitor Setup - Albany Room

9:15 AM **Welcome and Logistics**
 Lake George North and South Rooms

9:30 AM **Keynote Speaker - Greg Michel, Executive Director, Onondaga Earth Corps**
 Gregory Michel and team members from Onondaga Earth Corps (OEC) will open our conference. OEC involves young adults, ages 16 to 25, in service projects that address environmental and community needs. Participants gain practical experience with community and environmental service-learning initiatives, preparing them for careers in the environmental fields.
 Lake George Rooms North and South

10:30 AM **Break / Exhibitor Area / Student Research Posters / Silent Auction**
 Village Blacksmith Lounge

	Lake George North	Lake George South	Tupper Lake/Indian Lake	Long Lake
	A1 - Aquatic Invasive Species ID & Monitoring	A2 - Regulations and Programs	A3 - Diet for a Small Lake	A4 - Students and Environmental Action
10:45 AM	"Don't Throw Away your Rakes": Comparing eDNA and Traditional Tool Based Monitoring Methods for Aquatic Invasive Species <u>Brian Greene</u> , Program Director of the Adirondack Park Invasive Plant Program (APIPP), The Nature Conservancy	Navigating the New Freshwater Wetlands Regulations <u>Krista Spohr</u> , Environmental Program Specialist, NYS Department of Environmental Conservation	Diet for a Small Lake, An Introduction to Limnology - New to NYSFOLA? This is a great place to start. <u>Dr. Bill Harman</u> , NYSFOLA Board, retired from SUNY Oneonta Biological Field Station (BFS) <u>Matt Albright</u> , NYSFOLA Board & Assistant to the Director, BFS <u>Dan Stich</u> , Associate Professor of Biology, BFS Researcher	Hooking the Next Generation on Lake Stewardship <u>Jane Oppenlander</u> , CSLAP Volunteer and Board Member, Lake Luzerne Association

11:15 AM	Divers, Dredges, and Digital Images: Survey Methods for Dreissenid Mussel Populations <u>David Andrews</u> , Senior Research Scientist, Upstate Freshwater Institute	Old Lake Issues? The EPA National Lakes Assessment (2000s) and Funding New Experimental Solutions <u>Chris Mikolajczyk</u> , Senior Manager - Aquatics, Princeton Hydro	Diet for a Small Lake, An Introduction to Limnology - continued Onondaga Earth Corps Interactive Session - Learn about the work performed in the field by these young adults and how they approach sharing their knowledge with others Onondaga Earth Corps Team
-----------------	--	---	---

12:00 PM **Lunch / Newsletter & Secchi Awards**
 Carriage House [Must have Lunch Ticket]

NYSFOLA 42nd Annual Conference

Friday Afternoon - May 2, 2025

	Lake George North	Lake George South	Tupper Lake/Indian Lake	Long Lake
	B1 - Aquatic Invasive Species Identification & Monitoring	B2 - Lake Data: Sorting Out the Numbers	B3 - A Strategic Plan for NYSFOLA - Charting Our Future	B4 - Community Involvement
1:45 PM	<p>Monitoring the Monoculture: Exploring the Role, Removal, and Native Recovery of Water Chestnut Dominated Environments in the Hudson River</p> <p><u>Ashley Morris</u>, Region 3 Aquatic Invasive Species Coordinator, NYS Department of Environmental Conservation</p>	<p>How to Read Your CSLAP Report</p> <p><u>Alene Onion</u>, CSLAP Coordinator, NYS Department of Environmental Conservation</p>	<p>NYSFOLA, Strategic Planning - Learn how we have charted our new course to meet ever changing challenges and to serve our members better</p> <p><u>David Carr</u>, NYSFOLA Executive Director</p>	<p>Synergies Between Citizen Science, College Student Research Projects and Lake Associations: Lessons Learned</p> <p><u>Tarki Heath</u>, NYSFOLA Board and Kettle Lakes Association <u>Kim Schultz</u>, Associate Professor, SUNY Environmental Science and Forestry</p>
2:15 PM	<p>Collaborative Efforts in Reducing the Spread of Round Goby</p> <p><u>Elizabeth Whitmore-Stolar</u>, Aquatic Invasive Species Outreach Specialist, NYS DEC</p>	<p>What 33 Years of Water Quality Monitoring Reveals About Two Adirondack Lakes</p> <p><u>Michael Martin</u>, Senior Environmental Scientist, Suozzo, Doty & Associates</p>	<p>"Dr. Lake" - Dean Long, NYSFOLA Board Member and Consultant, Saratoga Lake Protection and Improvement District, will be available to help explain your CSLAP Data reports.</p> <p>By Appointment, 15 to 20 min discussions. Email folat@nysfolat.org or dlong735@gmail.com for more information. Use DR LAKE in the email subject heading.</p> <p><i>Note: Location may change</i></p>	<p>Hiring a Consultant</p> <p><u>David Mathews</u>, Senior Research Scientist, Upstate Freshwater Institute</p>
2:45 PM	<p>History and Background of the IMap Program and the New York Natural Heritage Program</p> <p><u>Jennifer Dean</u>, Invasive Species Program Coordinator, NY Natural Heritage Program</p>	<p>Using Aquatic Invasive Species Data to Inform Management Decisions</p> <p><u>Mitchell O'Neil</u>, Invasive Species Biologist, NY Natural Heritage Program</p>		<p>Making Media Work for You</p> <p><u>Howard Schaffer</u>, President, Media Marketing, and Vice President, Lake Luzerne Association</p>
3:15 PM	<p>Break / Exhibitor Area / Student Research Posters / Silent Auction</p> <p>Village Blacksmith Lounge</p>			

NYSFOLA 42nd Annual Conference

Friday Afternoon (Continued) - May 2, 2025

	Lake George North	Lake George South	Tupper Lake/Indian Lake	Long Lake
	C1 - Managing Aquatic Invasive Plants	C2 - Data Analysis - Student Researchers	C3 - IMap Workshop	C4 - Community Involvement
3:30 PM	<p>Success, Rebounds, and Surprises: A 15-year Study of Herbicide Effectiveness in Controlling Invasive Macrophytes</p> <p><u>Andrew Brainard</u>, Director, Upstate Freshwater Institute</p>	<p>Geospatial Solutions for Septic System Challenges</p> <p><u>Kevin Suchecki</u>, Otsego Lake Watershed Supervisory Committee, and Student at SUNY Oneonta</p>	<p>iMapInvasives Workshop: Collecting and Using the Data - Douglas Knoph, NY Natural Heritage Program</p> <p>Join us for a hands-on workshop on how you can leverage iMapInvasives to advance invasive species prevention, monitoring, and management in your lake and beyond.</p> <p>This workshop will include indoor and outdoor portions. We encourage participants to bring their own laptop and smartphone or tablet if feasible.</p>	<p>Libraries Love Lakes: A Community-Driven Approach for Watershed Education</p> <p><u>Nadia Harvieux</u>, Associate Director for Educational Programs, Finger Lakes Institute/Hobart and William Smith Collegess</p>
4:00 PM	<p>Herbicide Treatment of Invasive Milfoil in the Adirondacks: Assessing Outcomes</p> <p><u>Aaron Ziemann</u>, Project Analyst, NYS Adirondack Park Agency</p>	<p>Using Past and Present Data to Identify Trends in a Kettle Lake System</p> <p><u>Alexander Javitz</u>, Student, SUNY Oneonta Biology Department</p>		<p>Wool and Water: Stitching the Story of Water with Fiber Art</p> <p><u>Michale Glennon</u>, Paul Smith's College/Adirondack Watershed Institute</p>
4:30 PM	<p>The Use of ProcellaCOR Over the Last Five Years in New York State</p> <p><u>Dean Long</u>, NYSFOLA Board Member and Caleigh Millette, Consultant, Little Bear Environmental</p>	<p>Characterizing Multidecadal Changes in Limnetic Conditions and Fish Communities of Two Connected Adirondack Lakes</p> <p><u>Elijah Creedon</u>, Graduate Student, SUNY Oneonta Biology Department</p>		<p>Lake Trivia: Join the fun as we try to stump our panel of experts on interesting and maybe obscure facts, figures, and fun information about New York Lakes</p> <p><u>Nancy Mueller</u>, NYSFOLA CSLAP Coordinator</p>
5:00 PM	<p>Wine and Cheese Party / Exhibitor Area / Student Research Posters</p> <p>Village Blacksmith Lounge</p>			
6:00 PM	<p>Dinner: Lake Tear of the Clouds Award and Guest Speaker - Carl Heilman II, Outdoor Photographer. Carl will share photographs and stories of his experiences in the ADK region. His work captures both the grandeur of these special places, and the emotional and spiritual connection he has felt.</p> <p>Carriage House [Must have Dinner Ticket]</p>			

NYSFOLA 42nd Annual Conference

Saturday Morning - May 3, 2025

All **meal tickets** must have been purchased in advance. Those without a meal ticket, please ask the Fort William Henry Hotel (at the Hotel Desk) for suggested dining venues in town or go to the Lake George Area Visitors Website at: <http://www.visitlakegeorge.com/food-drink/>

7:00 AM Breakfast Buffet

White Lion Room [Conference Ticket Holders]

8:30 AM Registration

Conference Center Lobby

Lake George North

Lake George South

Tupper Lake/Indian Lake

Long Lake

D1 - Harmful Algal Blooms

D2 - Environmental Policy and Regulations

D3 - CSLAP Training

D4 - Data Collection and Analysis

9:00 AM Evaluation of Aeration for the Mitigation of Harmful Algal Blooms (HABs)

Anne McElwee, Graduate Student, SUNY Environmental Science and Forestry

New York's Green Amendment - Protecting Our Lakes

Nathan Porceng, Student, Columbia Law School

CSLAP TRAINING

From Fish in Ponds to Code in the Cloud: Using Data to Inform Fisheries Management in New York

Dan Stitch, Associate Professor and Biological Field Station Researcher, SUNY Oneonta

9:30 AM Internal Loading-Updated Solutions for an Old and Increasing Problem for Lakes

Fred Lubnow, Senior Technical Director of Ecological Services, Princeton Hydro

Watershed Rules and Regulations for the Protection of Public Drinking Water Supplies

Dan Shapley, Senior Director of Advocacy Policy & Planning, Riverkeeper

CSLAP TRAINING

Leveraging a High-Frequency Sensor Network and Long-Term Monitoring to Understand Lake George's Changing Ecosystem

Brian Mattes, RPI-Jefferson Project, Senior Research Specialist

10:00 AM Mitigation of Harmful Algal Blooms By Electrochemical Ozonation: from Bench-Scale Studies to Field Applications

Yang Yang, Assistant Professor, Clarkson University

Proposed Harmful Algal Bloom Legislation in New York State

Jacob Welch, President, Fingerlakes Regional Watershed Alliance (FLRWA)
Douglass Merrill, Vice President, FLRWA

CSLAP TRAINING

10:30 AM Break / Exhibitor Area / Student Research Posters / Silent Auction (closes at 10:45)

Village Blacksmith Lounge

NYSFOLA 42nd Annual Conference

Saturday Morning (Continued) - May 3, 2025

	Lake George North	Lake George South	Tupper Lake/Indian Lake	Long Lake
	D5 - Harmful Algal Blooms (HABs)	D6 - Lake Management	CSLAP Training	D7 - Public Policy
10:45 AM	<p>Preparing for Restoration - Lake Neatahwanta</p> <p><u>Shannon Junior</u>, Water Quality Technical Specialist, EutroPHIX <u>Mike Peterson</u>, Reimagine Fulton</p>	<p>Chautauqua Lake - Alive with a Busy Chautauqua Lake Association</p> <p><u>Douglas Conroe</u>, Executive Director, Chautauqua Lake Association</p>	<p>CSLAP TRAINING</p>	<p>Public Education - Face To Face on the New Wetlands Regulations</p> <p><u>Jim Wehrfritz</u>, President, Chautauqua Lake Property Owners Association</p>
11:15 AM	<p>Determining the Source of Aquatic Foam in the Finger Lakes: Insights into Cyanobacterial Harmful Algal Blooms in Low-Nutrient Systems</p> <p><u>Stella Woodard</u>, Scientific Consultant, Global Aquatic Research LLC</p>	<p>It Takes a Village - A Case Study on Fostering a Lake Improvement Project</p> <p><u>Frank Moses</u>, Executive Director, Skaneateles Lake Association</p>	<p>CSLAP TRAINING</p>	<p>NYS Rapid Actions on Alternative Energy</p> <p><u>Jim Cunningham</u>, Chairman, Madison County Board of Supervisors and a Past President NYSFOLA</p>
12:00 PM	<p>Lunch / NYSFOLA Annual Membership Meeting / Lake Steward Awards / Silent Auction Winners</p> <p><i>The Carriage House [Must have Lunch Ticket]</i></p>			

NYSFOLA 42nd Annual Conference

Saturday Afternoon - May 3, 2025

	Lake George North	Lake George South	Tupper Lake/Indian Lake	Long Lake
	E1 - Aquatic Invasive Species Management	E2 - Lake Management	CSLAP Training	Dr. Lake
1:30 PM	Recent Findings by the Northeast Aquatic Nuisance Species Panel <i>Eric Randall, NYSFOLA Board</i>	Brant Lake - A 25 year journey in Lake Management <i>Wayne Butler, Chairman, Lake Management, Brant Lake Association</i>	CSLAP TRAINING (Outside)	"Dr. Lake" - Dean Long, NYSFOLA Board Member and Consultant, Saratoga Lake Protection and Improvement District, will be available to help explain your CSLAP Data reports.
2:00 PM	Management of Hydrilla In Two Connecticut Lakes <i>George Knoecklein, Limnologist, Northeast Aquatic Research</i>	Sustaining White Birch Lake: Analyzing Water Quality and Stakeholder Concerns <i>Alex Allen, Graduate Student, SUNY Oneonta</i>	CSLAP TRAINING (Outside)	By Appointment, 15 to 20 min discussions. Email fola@nysfola.org or dlong735@gmail.com for more information. Use DR LAKE in the email subject heading. Note: Location may change.
2:30 PM	Break / Exhibitor Area / Student Research Posters <i>Village Blacksmith Lounge</i>			
2:45 PM	Phragmites Management Options & Case Studies <i>Luke Gervase, Project Ecologist, GEI Consultants</i>	NYSFOLA, Strategic Planning - Learn how we have charted our new course to meet ever changing challenges and to serve our members better <i>David Carr, NYSFOLA Executive Director</i>	CSLAP TRAINING (Outside)	
3:15 PM	Building Capacity to Prevent AIS in the Columbia River Basin <i>Jacob Utrie, Vice President of Operations, CD3 Systems</i>		CSLAP TRAINING (Outside) Ends at 4:30 PM	

NYSFOLA does not necessarily support or condone political views and actions, or legal actions or agendas pursued by its members or partners. NYSFOLA will promote or support certain issues or topics that have or could have a positive effect on New York state's lakes, watersheds, and ecosystems if deemed appropriate by its Science Review Committee.

Silent Auction

Auction proceeds benefit the **SUNY Oneonta/NYSFOLA Partnership Program** and the **Willard Harman Student Scholar Award**.

NYSFOLA proudly introduces the **Willard Harman Student Scholar Award**, honoring Dr. Harman's dedicated service to NYSFOLA and New York State lake communities. For more information, please visit <https://nysfola.org/awards>

Auction Items:

Accepted at the Registration Desk from 8:30 a.m. to 4 p.m. on Friday.

Auction Bidding Periods:

Friday - 10:30 a.m. to 4 p.m.

Saturday - 8:30 to 10:45 a.m.

- Auction closes at 10:45 a.m. on Saturday

Bidding & Payment:

- Include cell phone number on the bid sheet
- Remember - you can expedite securing your desired item(s) by taking advantage of the "Buy It Now" option!
- Payments can be made via credit card, check, or cash

Winners - Saturday:

- Will be notified via text. Please acknowledge the receipt of the text message
- Item(s) pick up starts at 11:15 a.m. All items must be picked up by 4 p.m.
- No items will be shipped

Thank you for your support!

Thank you for attending the 42nd Annual NYSFOLA Conference. We hope that the information provided has been beneficial to you as a water steward. As we address both past and future challenges, it is crucial that we have a strong voice to protect our lakes. NYSFOLA can serve as that voice if we all collaborate effectively. We invite you to join us in this effort and support NYSFOLA.
