43rd Annual NYSFOLA Conference

CONFERENCE SCHEDULE AT A GLANCE

Thursday – May 7 (Pre-Conference)

Time	Event	Location
3:30-5:30 pm	NYSFOLA Board of Directors Meeting	Fort Edward Room

Friday - May 8

Time	Event	Location
8:00 am	Exhibitor and Poster Presentations Setup	Albany & Fort Edward Rooms
8:30 am	Registration “Morning Nosh” (Ticket Required)	Conf. Center Lobby Village Blacksmith Lounge
8:30-10:30 am	Silent Auction Setup Bidding Opens 10:30 am - 12:00 pm	Glens Falls Room
9:15 am	Welcome and Logistics	Lake George Rooms (N&S)
9:30-12:00 pm	Morning Sessions	See Schedule
12:00-1:15 pm	Lunch / Lake Steward and Newsletter Awards (Ticket Required)	Carriage House
1:30-4:15 pm	Afternoon Sessions	See Schedule
1-5:30 pm	Silent Auction Open for Bidding	Glens Falls Room
4:15-5:00 pm	Exhibits and Poster Presentations	Albany & Fort Edward Rooms
5:00-6:00 pm	Wine & Cheese Reception	Village Blacksmith Lounge
6:00 pm	Banquet / Secchi Disc and Lake Tear of the Clouds Awards (Ticket Required)	Carriage House

Saturday - May 9

Time	Event	Location
7:00-8:00 am	Breakfast Buffet (Hotel Guests with Ticket)	White Lion Room
8:30 am	Registration	Conf. Center Lobby
8:00-10:30 am	Silent Auction Open for Bidding (<i>Final - be there to protect your bid at the end</i>)	Glens Falls Room
9:00-11:30 am	Morning Sessions	See Schedule
11:00-12:00 pm	Auction Item Pickup	Registration Area
11:45-1:00 pm	Lunch and Membership Meeting (Ticket Required)	Carriage House
1:00-4:00 pm	Auction Item Pickup	Registration Area
1:15-3:30 pm	Afternoon Sessions	See Schedule

IMPORTANT NOTES:

Meals & Banquet: Ticket required
Student Posters: Viewable during breaks and lunch in the Exhibitor area
Silent Auction: Winners notified via text
Sessions: Detailed descriptions follow on the next pages

Don't forget to submit your conference survey - your opinion and suggestions are important to us!

43rd NYSFOLA Annual Conference

Friday Morning - May 8, 2026

8:00 am	Exhibitor Setup - Albany and Fort Edward Rooms				
8:30 am	Registration Opens - Conference Center Lobby "Morning Nosh" - Blacksmith Lounge (Hotel guests with ticket)				
8:30-10:30 am	Silent Auction Setup - Glens Falls Room				
9:15 am	Welcome and Logistics Lake George North and South Rooms				
9:30-10:30 am	Keynote Speaker - Shared Lakes, Shared Responsibility, Shared Around the Globe Dr. Kathleen C. Weathers, Senior Ecosystems Scientist, Cary Institute of Ecosystem Studies				
10:30-10:45 am	Break / Exhibitor Area / Student Research Posters / Silent Auction Blacksmith Lounge				
10:30-12:00 pm	Silent Auction Open for Bidding (Items accepted until noon) Glens Falls Room				
	Lake George North	Lake George South	Long Lake	Tupper/Indian Lake	
	Community and Lake Science #1	Harmful Algal Blooms #1	Limnology 101	Lake Management	
10:45 am	Communicating for Impact: Sharing Lake Science with Your Community <u>Monica Caves</u> , Outreach Coordinator/Research Scientist, Upstate Freshwater Institute	HAB Mitigation Considerations for Lakes and Water Supply Reservoirs - A Case Study <u>Nicole White</u> , Owner Little Bear Environmental Consulting, LLC	Limnology 101 - Diet For A Small Lake <u>Dr. Bill Harman</u> , NYSFOLA Board, retired from SUNY Oneonta Biological Field Station (BFS) <u>Oneonta Field Station Staff</u>	Stream Flow and Phosphorus Loads as a 9E Plan Measure of Success <u>Mark Petzold</u> , Board Member, Seneca Lake Pure Waters Association <u>Dr. Stephen Shaw</u> , Chair, Dept. of Env. Resources Engineering (ERE); Co-director for the Clarkson-ESF Center of Excellence (CoE) in Healthy Water Solutions Environmental Resource Engineering, SUNY ESF	
11:15 am	Taking CSLAP Volunteer Monitoring to the Next Level with Depth Profiles <u>Sarah Goodrich</u> , Research Scientist 1, NYS Department of Environmental Conservation	Harmful Algal Blooms in Oligotrophic Lakes: It is Not Just About Phosphorus <u>Gregory J. Boyer</u> , Professor Emeritus, SUNY ESF <u>Dominique Derminio</u> , SUNY ESF <u>Emily Garlock</u> , SUNY ESF	Limnology 101 - Diet For A Small Lake (continued)	The Impact of Spatial Heterogeneity on Water Quality Monitoring in Lakes <u>Guillaume Auger</u> , Research Scientist, Rensselaer Polytechnic Institute	

43rd NYSFOLA Annual Conference

Friday Afternoon - May 8, 2026

12:00-1:15 pm

Lunch / Lake Steward and Newsletter Awards

Carriage House (Must have lunch ticket)

1:00-5:30 pm

Silent Auction Open for Bidding

Glens Falls Room

	Lake George North	Lake George South	Long Lake	Tupper Lake/Indian Lake
	Aquatic Invasive Species	Nutrient Management	Agriculture and Water Quality	Community and Lake Science #2
1:30 pm	<p>To Treat or Not to Treat? The Decision Making Behind Invasive Species Management Through the Lens of China and Barrett Ponds</p> <p><u>Lindsey Kollmer</u>, Aquatic Ecologist, GEI Consultants</p>	<p>An Evaluation of the Effectiveness of an Alum Treatment to Address the Internal Phosphorus load at Lake Hopatcong, NJ Largest Water Body</p> <p><u>Fred Lubnow</u>, Senior Technical Director of Ecological Services, Princeton Hydro, LLC</p>	<p>Comprehensive Nutrient Management Planning for Farms</p> <p><u>Gregory Albrecht</u>, Agricultural Environmental Management Coordinator, NYS Department of Agriculture and Markets</p>	<p>The Evolution of a Town-Lake Association Partnership</p> <p><u>Lake Luzerne Association</u> Jim Niles Jane Oppenlander Mike Schaffer Kurt TeKolste</p>
2:00 pm	<p>Water Chestnut Management in New York</p> <p><u>Catherine McGlynn</u>, AIS Coordinator, NYS DEC</p>	<p>The Evaluation of Innovative Strategies to Proactively and Reactively Control Near Shore HABS</p> <p><u>Patrick Rose</u>, Limnologist, Princeton Hydro, LLC</p>	<p>Rules and Regs Related to Agriculture and Water Quality</p> <p><u>Kirsten Workman</u>, Nutrient Management and Environmental Sustainability Specialist, Pro-Dairy, Cornell University</p>	<p>Small Lake Big Results</p> <p><u>Susan Clark</u>, Treasurer and Project Manager for Invasive Species, Eagle Lake Property Owners, Inc.</p>
2:30 pm	<p>Lake Sebago Hydrilla Control Project; Progress and Lessons Learned</p> <p><u>Alejandro Reyes</u>, Aquatic Ecologist, GEI Consulting</p>	<p>Planning and Executing a Successful Alum Treatment</p> <p><u>Keith Pilgrim</u>, Limnologist, Barr Engineering Company</p>	<p>Best Management Practices from Large to Small Farms and How SWCDs (and NRCS) Work with Farms to Provide Tech Support</p> <p><u>Megan Webster</u>, District Manager, Ontario County SWCD</p>	<p>Allow Data to Drive Decision Making</p> <p><u>Jane Conroe</u>, Chair, Chautauqua-Conewango Consortium</p>
3:00 pm	<p>Break / Exhibitor Area / Student Research Posters / Silent Auction</p> <p><i>Village Blacksmith Lounge</i></p>			

43rd NYSFOLA Annual Conference

Friday Afternoon (Continued) - May 8, 2026

	Lake George North	Lake George South	Long Lake	Tupper Lake/Indian Lake
	Aquatic Invasive Species	Watershed Wide Research	Short-Term Rentals and Lake Communities	Harmful Algal Blooms #2
3:15 pm	<p>Eurasian Watermilfoil Management: An Overall Timeline and the Surprising Sediments Impacts Recently Discovered</p> <p><i>Chris Mikolajczyk, Senior Manager-Aquatics, PrincetonHydro LLC</i></p>	<p>Using Watershed Models to Inform Phosphorus Management and Climate Change</p> <p><i>Andrew Brainard, Director, Upstate Freshwater Institute</i></p>	<p>Understanding Short-Term Rental Regulation in New York State</p> <p><i>Christopher Eastman, Local Government Specialist; NYS Division of Local Government Services</i></p>	<p>Riverine HAB Monitoring in NYS</p> <p><i>Keleigh Reynolds, Research Scientist 2, NYS Department of Environmental Conservation</i></p>

11-12:00 pm	Silent Auction Item Pick Up (Registration Desk)			
12:00 pm	Lunch / NYSFOLA Annual Membership Meeting (Must have Lunch Ticket) <i>The Carriage House</i>			
1:00-4:00 pm	Silent Auction Pick Up (Registration Desk)			CSLAP Training Resumes at 1 pm

43rd NYSFOLA Annual Conference

Saturday Afternoon - May 9, 2026

Lake George North	Lake George South	Long Lake	Tupper Lake/Indian Lake
HABs Issues #3	Lake Communities and Action	CSLAP Training	iMapInvasives
Lake Mohegan: Multifaceted Approach to Harmful Algal Blooms <i>Kenneth Belfer, President, Mohegan Lake Improvement District</i>	Submerge NY: Creative Flood Outreach Through Public Art and Storytelling <i>Rewa Phansalkar, Research and Outreach Specialist, New York State Water Resources Institute, Cornell University</i> <i>Tarki Heath, Kettle Lakes Association & Board Vice President, NYSFOLA</i>	CSLAP Training Rain or Shine DRESS APPROPRIATELY CSLAP Training will likely extend beyond 3:30pm depending on the number of attendees, weather, etc.	An Intro to iMapInvasives Workshop <i>Douglas Knoph, Invasive Species Project Specialist, New York Natural Heritage Program</i>
Talking About Nutrient Inactvants in New York State <i>Dean Long, Board President, NYSFOLA</i>	There is NO Magic Bullet! A No Nonsense Guide for Addressing Lake Problems and Improving Lake Health <i>John Tucci, Founder & President EverBlue Lakes</i>		
End of Conference with the exception of CSLAP Training (3:30 pm or later)			

Conference Information

- **Poster Presentations:** Displayed throughout the day in the Exhibitor Area
- **Exhibitors:** Located in the Albany and Fort Edward Rooms

Silent Auction

- Items located in the Glens Falls Room
- Items cannot be mailed to winners. If you are unable to pick up an item, please arrange for someone to collect it during designated Silent Auction Pickup Times
- Thank you for supporting the William Harman Lake Management Scholarship

Stay Connected

- **Conference Survey:** Please submit your survey - we appreciate your feedback!

Silent Auction

Auction proceeds benefit the SUNY Oneonta/NYSFOLA Partnership Program and the Willard Harman Student Scholar Award

The **William Harman Student Scholar Award**, honors Dr. Harman's dedicated service to NYSFOLA and New York State lake communities. For more information, please visit <https://nysfola.org/scholarships>

Auction Items Drop-Off

- Accepted at Registration Desk
- Friday: 8:30 am–3 pm

Bidding Schedule

- Friday: 10:30 am–12 pm and 1–5:30 pm
- Saturday: 8–10:30 am (Bidding Closes at 10:30 am)

How to Bid

- Include **your name and cell phone number** on the bid sheet (print legibly)
- Expedite securing your desired items by using the **“Buy It Now”** option

Payment Methods

- Credit card, check, or cash

Winners & Pickup (Saturday)

- Winners notified by text: 10:30–11:00 am
- Please confirm receipt of your text notification
- Item pickup begins at 11:00 am
- Closed for lunch: 12–1 pm
- All items must be picked up by 4 pm

Important: No items will be shipped

The New York State Federation of Lake Associations (NYSFOLA) is a Section 501(c)(3) charitable organization, EIN 22-2529936. All donations are deemed tax-deductible absent any limitations on deductibility applicable to a particular taxpayer. No goods or services are provided in exchange for contributions. NYSFOLA membership dues, conference and event fees, book sales and Citizen Statewide Lake Assessment Program (CSLAP) fees are not considered charitable contributions. NYSFOLA proudly introduces the Willard Harman Student Scholar Award, honoring Dr. Harman's dedicated service to NYSFOLA and New York State lake communities. For more information, please visit <https://nysfola.org/awards>

HERE'S TO THE CONTINUED SUCCESS AND OUTSTANDING WORK OF THE NEW YORK STATE FEDERATION OF LAKE ASSOCIATIONS IN PROTECTING AND RESTORING NEW YORK LAKES!

COMMITTED TO IMPROVING OUR ECOSYSTEMS, QUALITY OF LIFE, AND COMMUNITIES FOR THE BETTER

**OVERWHELMED BY WATER MANAGEMENT?
WE'VE GOT YOU COVERED**

When it comes to managing your community, stress is the last thing you want to feel. But when algae and weeds develop in your lakes, the complaints start pouring in. Turn those complaints into compliments by partnering with the aquatic experts at SOLitude. Whether you're looking to improve your lake's functionality or simply maintain beautiful, healthy water, our team of professionals can help you reach your goals.

Discover Our Complete Suite of Lake & Pond Services

- Algae & Aquatic Weed Control
- Water Quality Testing
- Fountains and Aeration
- Buffer Management
- Invasive Species Control
- Lake Mapping
- Nutrient Remediation
- Erosion Control
- Hydro-raking
- Dredging

Notes

Notes

Thank you for attending the 43rd NYSFOLA Annual Conference. We hope the information shared supports your role as a lake steward.

Protecting our lakes requires a strong, unified voice. NYSFOLA can be that voice through collaboration and support from individuals like you.

We invite you to join us in protecting and preserving New York's lakes for generations to come.

Thank You!!
