

## Please consider a donation to NYSFOLA!

Imagine a world where nearly all lakes are overrun by aquatic invasive species or where swimming is impossible because of harmful algal blooms. Sadly, this is becoming more of a reality for many of our lakes, and those that have escaped degradation, struggle to ward off the ever increasing threats to water quality. We must have a stronger voice than ever before to protect our lakes! NYSFOLA can be that voice if we all work together. Won't you be a part of that voice and support NYSFOLA? Your donation will help us produce our "Waterworks" newsletter, host the NYSFOLA annual and regional conferences, support our work with over 250 lake associations, and more!
